Levy of Education Cess at 6 pies per rupee in the Mysore State.

G.O No D. 905 8—65 & 2664 25

Sanctions the levy of Edn Cess at 6 pies in the rupee

25/7/25

Serial No.

4.

From the Pt. Dt. Board, Mysore
C. 1996 & 16. 5: 25.

Recommends sanction, under the circumstances reported by him, to the levy of an Education cess at six pies per Re. in the Mysore district from 1st July 1925.

As per Section 24 (amended by the Regulation VII of 1922) of the Local Boards and Village Panchayet Regulation, the resolution of the Mysore Dt. Board, to levy the cess, does not appear to be in order. The total strength of the Board is 48 members and 75% of it is 36, which should be the quorum of the special meeting convened for the purpose. Further 36 members at least, should participate in the levy of the cess as proposed by the resolution.

But as now reported by the President of the Mysore Dt. Board, only 35 members were present at the special meeting and only 27, (each of whom voted for the levy) out of the 35 members form 75% of the members present at the meeting and not of the total strength of the Board as required by the Rule in the first instance.

The resolution can not therefore be approved on the ground that in view of the express wording of the Rule, it does not carry 75% of the total strength of the Board viz. 48 × 3/4 = 36

H. Hadley 28/5/26.

6/ The case has not been worked properly. The case should have been under the amendment of Section 24 of the Land Registration Act, 1924. The addition to Sec 24 was made in 1924, when Section 24 was introduced.

7/ From the wording of Section 24 it is clear that the case of the case has to be accepted by not less than 75% of the Taluq Boards in the State & that it should be confirmed by a resolution of the Board supported by not less than three-fourths of the members at a meeting specially convened in that behalf.

8/ In the present case both these conditions are complied with as more than 75% of the Taluq Boards are agreeable to the case & more than 75% of the members at the meeting i.e. members present at the meeting, are agreeable to pass the resolution.

Do you not propose to amend this Section (24)?

Sir,

1 Adverting to Government order No.L.4782-84/L.B.60-22-32 dated the 22nd December 1923 recording the correspondence relating to the levy of an Education Cess in this District I have the honour to state that as resolved by the District Board at their meeting held on the 30th August 1924, the matter was again referred to Taluk Boards for opinion. Out of the 13 Taluk Boards in this District, the marginally noted seven -- Taluk Boards opined that the Education Cess might be levied at 6 pies per rupee. The Taluk Boards of Yedatore, Hunsur and Krishnarajapet resolved that the cess might be levied provided that the cess collections made in the respective Taluks were utilised for Primary Education in these Taluks only. The Taluk Boards of Chamarajanagar and Heggadadevankote were not agreeable to the levy of the cess and the remaining Taluk Board of T.Narasipur was not able to send its resolution.

Mysore, Gundlapet, Nanjangud, Seringapatam, Nagamangala, Mandya, and Malavalli.

not readily available

2 The subject was placed before the District Board at their Special Meeting held for the purpose on the 10th January 1925

The proposal was not supported by 75 per cent of the members present at the meeting as required by Section 24 of the Local Boards and Village Panchayets Regulation.

3) As the Taluk Boards of Yedatore, Hunsur and Krishnarajapet had passed a conditional resolution in the matter of levying the cess and as it was thought necessary to refer the matter again to these Boards to ascertain whether they would agree to the levy of the cess without imposing any conditions so that the District Board may reconsider their decision, the Presidents of the Taluk Boards of Yedatore, Hunsur and Krishnarajapet were requested to place the matter again before the Boards for their consideration explaining the necessity and advantages of levying this cess. These Boards agreed to the unconditional levy of this cess at 6 pies per rupee. A copy of the resolution of the remaining Taluk Board of T.Narasipur was also received agreeing to the levy of the cess.

4) A special meeting of the District Board was convened for the 16th May 1925 for the consideration afresh of the question of levying an Education Cess at 6 pies per rupee. At the meeting held this day 35 members were present out of the total strength of 48 members. A copy of the proceedings is enclosed from which it will be seen that the levy of the cess at 6 pies per rupee has been approved by twenty seven members, even excluding my vote.

5) The District Board having thus resolved on the levy of an Education Cess at 6 pies per rupee in accordance with the provisions of the Local Boards and Village Panchayets Regulation of 1921, I have the honour to request that sanction of Government may be kindly obtained for the levy of an Education Cess at 6 pies per rupee in the Mysore District with effect from the 1st. July 1925 and that a notification may be kindly caused to be issued accordingly,
